WEDDINGS AT SYRENCOT

Syrencot is your secret and exclusive country wedding estate, just 20 minutes from Andover.

The sense of privacy is apparent from the moment you turn down the driveway, but that's the only thing this venue immediately gives away. Within the woodland fringes of the grounds, your excitement will heighten as you discover the historic house, contemporary Farmshed and romantic Glasshouse.

From the crinkle-crankle cob walls and flowering borders alive with butterflies, to the restored Glasshouse at its centre, the Walled Garden is Syrencot's beating heart. It is here, in this quintessentially English haven, that you will share your own hearts when you exchange vows.

With so many special places in which to say 'I do', celebrate and stay the night, this rare and secluded escape is exclusively yours for your wedding, from start to finish.
